ABOUT ALAMEX

We are a young and dynamic company, we began operations in Latin America on November 14, 2014, with a backing of experience of more than 20 years. We are specialized in designing, developing, manufacturing, distributing, installing, and maintaining high-tech lifting solutions. We produce all types of elevator systems including passenger elevators, home elevators, platform elevators, dumbwaiters, construction elevators, cargo elevators, and more.

Nous sommes une entreprise jeune et dynamique, nous avons commencé nos opérations en Amérique latine en 2014, avec une expérience de plus de 20 ans. Nous sommes spécialisés dans la conception, le développement, la fabrication, la distribution, l'installation et la maintenance de solutions de levage de haute technologie. Nous produisons tous les types de systèmes d'ascenseurs, y compris les ascenseurs pour passagers, les ascenseurs résidentiels, les ascenseurs à plate-forme, les monte-plats, les ascenseurs de construction, les ascenseurs de fret, etc.
